MEDICINAL.

Mirth is an almost infallible sign of good health. A sick woman may force a smile or at times be moved to laughter. But when a woman is bubbling over with mirth and merriment she is surely a well woman.

Dr. Pierce's Favorite Prescription has made thousands of melancholy and miserable women cheerful and happy, by curing the painful womanly diseases which undermine a woman's health and strength. It establishes regularity and goes away with monthly misery. It dries debilitating drains and cures the cause of much womanly weakness. It heals inflammation and ulceration, and cures the bearing-down pains, which are such a source of suffering to sick women.

"I take great pleasure in recommending Dr. Pierce's Favorite Prescription for female weakness," writes Mrs. Susan M. Parmenter, of Pauls Store, Shelby Co., Texas. "I was troubled with bearing-down pains in my back and hips for six years, and I write to Doctor Pierce for advice. I tried his 'Favorite Prescription' and bottles cured me. I feel like a new person now. I thank Dr. Pierce for my health. Life is a burden, to any one without health. I have told a great many of my friends about the great medicine."

Medical receipt of this only, the paper for the V. Pierce, Buffalo, N. Y.

LETTER FROM PAGE.

[Correspondence of the Alexandria Gazette.]

Luxury, Va., Nov. 27, 1902.

Our County Court has been trying the case of George Riley for the murder of Noah Fox, his father-in-law, at Hope Mills in Page county, on September 8 last, for the last three days. The State was represented by R. S. Parks, Commonwealth's attorney, and the prisoner by R. F. Leedy. The defense was one of justifiable killing in self defense. The jury was out only a few minutes, and rendered their verdict of not guilty. Riley is only 26 years old, his victim 58.

Our new jail built only six years ago by the Manly Manufacturing Company is a sorry investment for the \$11,000 it cost. It is faulty, negligently built of bad material and is a sad failure, needing constant and costly repairing.

Not a gallon of apple brandy was made this year in Page—an unprecedented state of affairs in its history, and little, if any, apple butter—the apple crop being a complete failure. Thomas J. Hughes, the largest man in the county of Rappahannock and a Mexican soldier died at his home near Woodville a few days ago. Though nearly seven feet tall and large in proportion, he was one of the greatest fox hunters in his county, and only quit it when too old to follow the dogs. His voice needed no horn to give it strength and volume, and the horse he rode was like himself, large, strong, and fond of the sport.

The wheat is looking well. We are glad to see the Gazette, old in years and ripe in its experience of the past, young and vigorous in its maintenance of the principles of our fathers, and true and steadfast in its views of the present, as it has been in the past.

TOBACCO AND LIQUORS.

The annual report of the U. S. Commissioner of Internal Revenue for the past year shows that in the State of Virginia there were 178 tobacco factories having accounts with the Internal Revenue Bureau. These factories turned out 205,773,393 cigars weighing more than three pounds per 1,000, and 258,953,690 weighing not more than three pounds per 1,000, and consumed in the making thereof 5,451,211 pounds of tobacco. There were six cigarette factories in Virginia, and they made over 750,000,000 cigarettes, consuming about 3,424,000 pounds of tobacco in doing so. In the manufacture of tobacco 111 factories were engaged in Virginia, and in their work for the year ended December 31, 1901, they used 29,140,012 pounds of leaf tobacco, 572,347 pounds of scraps, 101,267 pounds of stems, 2,012,158 pounds of licorice, 1,628,074 pounds of sugar, and 2,172,408 pounds of other material.

In the production of tobacco, Virginia turned out 22,181,465 pounds of plug tobacco, 78,136 pounds of fine cut, 5,776,930 pounds of smoking, 815,365 pounds of snuff, and of this total amount exported in bond, 7,319,089.

The figures as to the number of special tax-payers in Virginia show that there were 31 rectifiers, 2,921 dealers in 50 whole-tobacco dealers, 401 dealers in leaf tobacco, 108 manufacturers of tobacco of different kinds, 108 manufacturers of cigars, 17 brewers, 120 rectifiers in malt liquors, 47 wholesale dealers in malt liquors, 24 retail dealers in malt liquors, 213 bankers, 936 billiard tables and bowling alleys, 25 brokers in stocks and bonds, and numerous other dealers. There were 100 rectifiers, 24 retail dealers in the State, of which 70 were operated; 589 fruit distilleries, of which 581 were operated, making a total of 680. The total number of distilleries of all kinds registered during the year throughout the country was 3,252. During the year in Virginia there was used in the manufacture of spirits 5,545 bushels of malt, 555 bushels of wheat, 16,652 bushels of rye, 27,200 bushels of corn.

In fruit brandy produced during the year there was made in Virginia a total of 62,344 gallons, as follows: Apple, 61,281; peach, 416; grape, 588; berries, 43; cherries, 10. The total number of gallons produced from grain during the year all over the country was 123,847,304 gallons.

The States of Missouri, North Carolina, Kentucky, Virginia, Ohio, New Jersey, and New York, in the order named, were the largest producers of both chewing and smoking tobacco.

The total production by States producing not less than 5,000,000 pounds each per annum, was as follows:

State	Pounds

Avoid Substitutes!

An honest dealer will sell an honest remedy when it is called for by a customer, will use honest drugs in filling prescriptions, and can be safely trusted as a family druggist. A dishonest dealer, who tries to sell a customer a cheap substitute of his own when a standard remedy is asked for, will not hesitate to use impure and injurious drugs. We caution our patrons to guard against cheap, so-called cough medicine that is offered at a low price by dealers. Insist on getting the OLD RELIABLE.

Dr. Bull's Cough Syrup which has been the standard for over fifty years. It has cured thousands of cases of coughs, colds, grip, asthma and influenza. **Will Cure You if You Will Try It.** Be sure you get the genuine, which has a "Bull's Head" on the package.
